Sun Safety- No Hat No Play

As we all know, temperatures can be extreme in the Northern Territory. Children are particularly susceptible to heat and UV radiation-related side-effects including sunstroke, heatstroke, dehydration, sunburn, skin damage, and/or eye damage. To minimise the risk of students suffering from any of the above side-effects, we have a whole school approach of No Hat No Play. Students must wear a hat, preferably a wide brimmed hat, when in the sun. There are spaces available around the school for students to play when they forget to bring a hat to school.
