

MILLNER SCHOOL 2024

TERM 1 WEEK 2

admin.millnerps@education.nt.gov.au

08 792 30333

Hello Millner School families,

A warm welcome back to school to all our existing families and new families who have joined our Millner School community. Our school is gradually growing, and it is fantastic to have our new students add to our diverse and vibrant environment.

Back to school vouchers:

Come to the office and sign your back to school vouchers. You have a \$200 voucher that gives you access to uniforms, school supplies, swimming lessons and homework.

Our friendly admin team-Miss Chantal and Miss Megan- are here to help you.

Is your child sick?

You are required to call the school to notify of your child's absence. This is your responsibility. The school will try our best to ring you everyday, if your child is away.

Welcome to our new staff

Miss Liz Latimer is our new Performing Arts teacher, Mr Lou Holloway is our new 5/6 teacher, Miss Sharon is our new Preschool teacher. We have loved working with them in the last 2 weeks and are very lucky that they have chosen to be part of our school community.

Our School goals for 2024:

These are our 2 goals for the year!

- By the end of 2024, all students attending school more than 60% will show growth of 1 stage in their Meaningful Maths assessments*
- By the beginning of Term 4 in 2024, there will be a growth of 15% in student survey responses to the question 'There is an adult at my school who cares about me and knows me well'*

These goals have been created using the responses from surveys completed this year, our own student achievement data in 2023 as well as staff feedback. We feel confident that by addressing and achieving these 2 goals, we will positively impact our student outcomes.

As always, please pop into the front office if you need to chat about your child's learning, provide feedback or just say hello.

Noella Goveas,
Principal

Stagesong

Have you spent your whole life wishing we had a musical theatre group for kids in Darwin?

Ta Daaaaa! 2024 will see that wish come true. Join Sian Edeson and a bunch of musical theatre enthusiasts for three terms of jazz hands and fun. No experience necessary, no auditions, all welcome between the ages of 8 to 18.

Find us at stagesongdarwin.com.au or on Facebook and Instagram!

Pack a Healthier Lunch Box

Children need fuel to help them learn. Packing a healthy lunchbox is like sending a bundle of energy and brainpower with your child to school. Here are some tips for you;

5 food groups: Include foods from the 5 food groups in your child's lunch, like fruits, vegetables, whole grains, dairy and proteins. Foods from these food groups provide essential nutrients for growth and keeps them full of energy.

Limit Processed Foods: Minimise packaged snacks and sugary drinks. Whole, unprocessed foods can help avoid energy crashes.

Hydration: Don't forget a water bottle! Staying hydrated is crucial for concentration and overall health.

A healthy lunch box not only fuels your child's body but also supports their focus and learning. By packing a nutritious meal, you're helping them succeed in and out of the classroom.
